EDUCATION

Govt. College University Fsd

Bachelor in Computer Science (BSCS)
2019-2023

EXPERTISE

- Html
- Css
- Tailwind
- Bootstrap
- Javascript
- React Js
- Next Js
- Node Js
- Express Js
- Nest Js
- MongoDB
- Mongoose
- SQL
- Sequelize
- Responsive Web Design
- Socket io (Web Sockets)
- API integration
- Basic Familiarity with Django (Python)

ABILITIES

- Hard work
- Dedication
- Team Work
- Leadership

CERTIFICATION

- Jira Certification

As a self-learner and enthusiastic MERN stack developer with hands-on expertise in Nest.js and Next.js, I bring a passion for staying at the forefront of web development trends. Eager to share my skills and contribute to innovative projects.

WORK EXPERIENCE

MERN STACK INTERNEE (Bootcamp)

Netixsol Blockchain Development Company Faisalabad Nov-2023 - Present

- Acquired proficient skills in React, demonstrating the ability to build dynamic and responsive user interfaces.
- Successfully completed a comprehensive Next.js module, gaining expertise in server-side rendering and optimized web performance.
- Developed a solid foundation in Express.js, showcasing the ability to build robust and scalable server-side applications.
- Implemented RESTful APIs using Express, ensuring efficient communication between the front-end and back-end components.
- Mastered Nest.js, a progressive Node.js framework, and applied it to build modular and maintainable server-side applications.
- Leveraged Nest.js features such as dependency injection and module organization for enhanced code structure.
- Spearheaded the development of a comprehensive clinic management system using Next.js, showcasing strong proficiency in the framework.
- Integrated Socket.io for real-time communication features within the clinic management system, enabling instant updates and notifications.
- Demonstrated expertise in full-stack development using the MERN stack, comprising MongoDB, Express.js, React, and Node.js.
- Developed dynamic and responsive web applications, showcasing proficiency in both front-end and back-end technologies.
- Utilized MongoDB for seamless data storage, retrieval, and manipulation, ensuring optimal performance of the web applications.

FRONTEND DEVELOPMENT

Content Arcade Pvt Ltd Faisalabad June 2021 - Aug 2021

- During my internship, I successfully developed responsive web pages, showcasing my proficiency in translating design concepts into engaging and accessible user interfaces.
- Spearheaded the creation of responsive web pages during a dynamic internship, showcasing a keen understanding of HTML, CSS, Bootstrap, and jQuery.
- Leveraged Bootstrap to enhance the consistency and efficiency of web development projects, streamlining the creation of responsive and aesthetically pleasing user interfaces.
- Implemented jQuery to add interactive elements and dynamic features to web pages, showcasing an ability to enhance user engagement through seamless interactivity.

HOBBIES

- Self Learning
- Debugging
- Movies
